

Enroll in TSA PreCheck®

Easy and simplified airport security.

What is TSA PreCheck?

TSA PreCheck was created to provide low-risk travelers with a smoother experience at the airport passenger checkpoint. The program is open to U.S. citizens and lawful permanent residents, as well as members participating in Trusted Traveler Programs like Global Entry, NEXUS and SENTRI.

TSA PreCheck is a great option for travelers looking to save time during the airport security process. It allows access to dedicated screening lanes at 200+ participating U.S. airports nationwide. There is an \$78 enrollment application fee, which covers five years of participation, if approved.

Why Should I Enroll?

- **Hassle-free experience:** Exclusive access to dedicated screening lanes at 200+ U.S. airports.
- **Pack just once:** No need to remove shoes, laptops, 3-1-1 liquids, belts, or light jackets.
- **Families welcome:** Kids 12 and under tag along with enrolled parents/guardians for free.
- **Your time is valuable:** Most TSA PreCheck passengers wait less than five minutes in line.

How It Works:

- 1 Apply online:** Submit an online application and schedule an appointment at one of the 600+ enrollment locations.
- 2 Enroll in person:** Complete the less than 10-minute enrollment process which includes capturing your fingerprints and photo for the TSA background check. Be sure to bring documentation proving your identity and citizenship status.
- 3** Get your Known Traveler Number (KTN): Most travelers get their KTN within five days.
