About IDEMIA:

IDEMIA is a leader in identity security and authentication services to governments and private companies, operating in North America. Our mission is to help people access what matters most, more quickly, more safely, and more securely, in both the physical and the digital worlds. Our best-in-class technology helps to authenticate and secure physical and digital transactions and is recognized by the National Institute of Standards (NIST) as a top-ranking participant, reinforcing the trustworthiness and reliability of IDEMIA's solutions.

As of April 2025
